ALPHA SECONDARY

Parking Lot Changes for 2024-25: Effective for September 2024, the upper parking lot on Alpha Street will be a **Staff Only** parking lot; First Responders and the bus that drops off & picks up students with exceptional needs will also use this lot. Students will be required to park along Alpha Street or Parker and Gamma Streets along the field. There will continue to be visiting parking available in the horseshoe. As our population continues to grow, the way space is used at Alpha will continue to be assessed to ensure that it is safe & supportive for students and staff. Feel welcome to see Mr Paré if you have any questions.
