SO MANY REASONS
TO BE PROUD

Each of our eight secondary schools offer programs that give students the opportunity to excel in a specific area of interest, while fulfilling academic requirements.

Learning options include Programs of Choice in technology, sports, trades, career training and educational enrichment, such as French Immersion, Advanced Placement courses and AP Capstone.

Apply from February 1 to February 28, 2019 for optional Programs of Choice and cross-district transfers (if the student is planning to attend a school other than their home school.)

OPEN HOUSES: Student Planning for 2019-20

Students going into grades 8-12 and their parents are invited to attend our Secondary School Open House Events.

These events provide an opportunity to tour the schools, meet the teachers and principals, and learn about optional Programs of Choice, and course selection.
