Transfers & refunds must be made by <u>July 5</u>
Students missing 3 days will be withdrawn

Those not eligible or those signing up for courses requiring fees can pay by cash, Visa or Mastercard.

Daily attendance

Attending Summer Session classes is mandatory and is crucial for student success. Students are expected to arrive on time every day, and be prepared to work and participate fully in class.

- **Given the rapid and condensed pace of summer Session, extended absences for any reason are not accommodated. These include, but are not limited to, work, vacations, sporting events, games/practices, or family commitments.**

IMPORTANT: Final report cards must be presented to the teacher on the first day of academic classes.

Learning Support

If your child has an IEP and/or a Fraser Health Care Plan or Consultation Report, and is currently receiving additional learning support from an Education Assistant at school, we encourage you to register online by **May 10 to ensure adequate support is available. First priority of students requiring additional learning support will be given to Burnaby School District regular session students.**

Course Locations & Cancellations

Courses and their locations cannot be guaranteed. Course offerings are subject to sufficient enrolment and may be moved or cancelled prior to the course start date.

Rock your Summer! Summer Rock Band Program for students Going into Grades 8 & 9

There's something for everyone in this performance-based course that explores all facets of playing, rehearsing, and performing in a pro rock-pop bank setting. Rock band students – from expert to novice – will deepen instrumental/vocal skills and explore material that challenges their previous performance experience. Vocalists will improve lead and harmony singing while learning key mic techniques, stage presence and more. Instrumentalists will enhance their playing skills. Students new to a band program will gain the important teamwork skills that small ensembles require. All rock band instruments are welcomed. From covering and arranging songs that students choose, to writing original music, the emphasis is on fun, developing improvisation skills and learning tips of the trade that the pros rely on, such as amplifier settings, getting the right "sounds" for a song, band etiquette and more. The course culminates in a live concert with professional sound and lighting.

PREREQUISITES: All instruments welcome, basic playing skills required on those instruments. Students with previous band experience encouraged to apply.
