The food is going to be delivered the week after the event by the student directly to the Vancouver’s Food Bank. Between the 13th and the 15th of March there will be a big box in the lobby where everyone can feel free to give as much food as he/she wants. Any types of food are allowed except for any perishable food, or food / beverages that are already expired or opened (if the box is broken but the food is perfectly closed in another interior packaging it is fine).
